

Physical Biochemistry Core Facility User Fees (2021)

Department of Biochemistry and Molecular Biology
University of Oklahoma Health Sciences Center

User Fees for the following instruments are listed below:

Jasco J-715 Circular Dichroism Spectropolarimeter
Microcal VP Differential Scanning Calorimeter
Microcal VP Isothermal Titration Calorimeter
SLM-8100 Photon-Counting Spectrofluorometer
ISS PC1 Photon Counting Spectrofluorometer
ISS Chronos Lifetime Spectrometer

Training Charge (per session)	\$40
Charge per hour	\$10
Maximum charge per day	\$40

User Fees for Microscale Thermophoresis:

Please contact Dr. Frank Hays (franklin-hays@ouhsc.edu) for costs of consumables and other misc. charges.

User Fees for Wyatt DAWN HELEOS II multi-angle laser light scattering instrument:

Please contact Dr. Paul DeAngelis (paul-deangelis@ouhsc.edu) for fees associated with training and use of the instrument.

The fees above are to partially cover costs of consumables and instrument maintenance and repair. Please contact Dr. Karla Rodgers (karla-rodgers@ouhsc.edu) with any questions.
